Family Business Foundations

Friday, February 12, 2016
UW Oshkosh Appleton Executive Education Center
7:30am Registration
8:00am – 11:30am Program

At this WFBF Program, we will discuss how family system dynamics impact governance, legal, accounting, wealth management and human resource management perspectives:

- Dynamics of a family business - define the family business or closely held business
- Discussion of the various roles/perspectives – owner, family, manager, non-family
- Family business analysis – what’s your role?
- Family first or business first?
- What does owning a family business mean?
