7:30am Registration/Networking
8:00am – 10:00am Program

Schenck, SC
200 East Washington Street, Appleton, WI

Personalities, experiences and the resulting opinions vary in today's modern organization. With technology advances and the speed of information reaching breakneck speed, leaders today must understand how to influence others and maintain focus themselves. In this session, Amy & Thomas will cover:

- How to demonstrate performance based motivation in a diverse workplace;
- Why self-aware leaders excel and how to get there;
- How emotional intelligence impacts the bottom line.
